

We are looking for young volunteers to participate in the volunteering project within Erasmus Plus programme.

Hosting organization is “Former Mine” Science and Art Centre (Centrum Nauki i Sztuki „Stara Kopalnia”) in Wałbrzych, Poland. (www.starakopalnia.pl)

The duration of volunteering is 20.07.2019 – 15.07.2020 (12 months)

Tasks

All the tasks for volunteers can be divided into three parts according to the departments of hosting organization.

1. Museum of Industry and Technology. Here volunteer will work with geological, archeological and technical collections of museum, creating documentation for display units (photos, descriptions etc.), searching for information connected to relict technical parts, cooperate in different essential tasks (ex. working out the touristic trails of the region), help in creating temporary exhibitions, make order in storehouse. Another important part of volunteers work here will be also organizing and co-providing the educational workshops connected to museums mission.

2. Unique Ceramic Center. Tasks will be connected to preparation and co-providing ceramic workshops, organizing of Ceramic open-air, installing and taking care of exhibitions, ceramic gadgets design.

3. Gallery of Contemporary Art. Here volunteer will support the team in following tasks: organizing and co-providing workshops, creating of educational programs and concepts, installment and taking care of exhibitions, logistic and technical support of concerts and events.

Stara Kopalnia is a developing institution which is open for new ideas and can propose space realizing own projects. If any volunteer will organize own event or workshop, we will do our best to support him/her as much as possible. To provide wider learning possibilities for volunteers, we will let each volunteer to work in different department for some time, if they will have such need and interest.

We are looking for volunteers from EU countries, aged 18-30 y.o., who never took part in EVS projects.

To participate in the recruitment, please send us you CV and motivation letter (or any kind of form, creativity is very welcome;) to e-mail: evs@modefoundation.com
